The Ansonia Nature & Recreation Center’s Playground Revitalization Project

The Nature Center staff and FANCI’s grant writing committee have met several times to go over a scope of work for the Ansonia Homegrown Playground so that we can proceed with grant applications. Our committee has also been collaborating with the City of Ansonia’s Economic Development Director and Mayor David Cassetti to ensure the playground’s longevity for future generations.

The Nature Center staff has also contacted and met with four playground vendors and has received some conceptual designs. These designs will include ADA accommodations, keeping with our natural design, and will accommodate children of all ages. Many of you may remember helping to build the playground or spending many hours with your children and/or grandchildren playing here. We are asking for our community to come together again to help rebuild our Homegrown Playground.

If you would like to be part of our fundraising committee, please send us your name, address, telephone number, email address, and how you can help us achieve our goal.

Redwing Pond House Wish List:
The RWPH Preschool is always grateful for paper donations, gardening supplies (hoses, spades, potting soil, etc.), gift cards to Staples, Michaels, A.C. Moore, etc., for art supplies, and tree stumps! We have many thinly-sliced tree sections (we call them tree cookies!) that we use for building and paths outside, and we love larger stumps to sit and climb on!

The Friends of the Ansonia Nature Center meet at the Nature Center on the second Wednesday of each month at 6:30 pm. All members of FANCI and interested folks are invited to attend.

ANSONIA NATURE AND RECREATION CENTER STAFF
