The Friends of the Ansonia Nature Center meet at the Nature Center on the second Wednesday of each month at 6:30 pm. All members of FANCI and interested folks are invited to attend.

ANSONIA NATURE AND RECREATION CENTER STAFF

Director: Alison Rubelmann; *Assistant Director:* Wendy Sabol; *Rangers:* Daniel Bosques, Dawn Sotir, Jessica Sulkowski, Amie Ziner; *Custodian:* Jami Condon.

TELEPHONE NUMBER: 203-736-1053

The Ansonia Nature & Recreation Center's Playground Project

As you have read here in previous issues, the Nature Center staff and FANCI's grant writing committee have been working hard to secure funding to rebuild the Ansonia Homegrown Playground. To date we have raised \$25,000. We will be hosting an Art Painting Party Fundraiser for "The Playground Fund 2016" on Saturday, April 2, 3-5 pm, at Kokopelli Music and Arts in Seymour. Join us for an afternoon of music and painting. All art materials provided; just bring your own beverage and snack as well as your enthusiasm! Leave with a wild painting. FEE \$30 per person. Please register at www.kokopellimusicandarts.com; click on Wine and Easel, then click on 2016 Calendar of Classes. Class is limited to 35 participants.

Spring Campaign results to date—thank you to all who have already contributed!

If you make the slide taller, the community will benefit! You can help us meet our goal. Your **Spring Campaign gift** directly supports those who make our playground better for you and the community. One way we make the Nature Center better is by building a safe environment in which your families can play.

All contributions made payable to FANCI.

Redwing Pond House Preschool

The children and staff at the Redwing Pond House Preschool have had an exciting winter! We have spent each day outdoors exploring, hiking, playing, building, laughing, and learning. The snow provided wonderful opportunities for the children to track the many animals we share our meadow and trails with, as well as create some incredible snow people! We were fortunate to have had many visitors join us in the classroom sharing fascinating animals, musical talents, science experiments, art projects, great stories and more!

We are now looking forward to the warm weather of Spring to begin exploring the seasonal changes around our little school and begin working in our school garden. We have spent time studying seed catalogs and discussing our preferred plants to grow in our classroom greenhouse, and we are anxious to get started! The Spring will be a time of tremendous growth in the children, as well as the world around them. We will be busy exploring the new growth outdoors, new art mediums, new trails, new talents, and the wonderful friendships that we have all formed.

The preschool is currently enrolling for our 2016-2017 school year; information and application documents for our programs can be found on our beautiful new website: rwphpreschool.org Be sure to take a look at it, as well as our fabulous Facebook page, to get a glimpse of some of our learning adventures!

We are beginning enrollment for our Summer camps as well. Our Preschool camps are available for your nature-loving 3-5 year old child and will be held Monday-Thursday the last three weeks of July and the first week of August. Each week will offer a fun new theme, full of age appropriate activities for our littlest explorers. Additional information and registration paperwork for camp are also available on our website.

Jacqueline Lema, Director & Head Teacher
Redwing Pond House Preschool

Redwing Pond House Wish List: We are well supplied with most things right now...but we still need • **Bird Seed** • to help our feathered friends as spring gets under way!

The Friends' Focus is published seasonally by the Friends of the Ansonia Nature Center, Inc. (FANCI) as an information link between FANCI and its members.
