Address: \_\_\_\_\_

- Please KEEP ME ON your mailing list (check label for any corrections needed)
- Please REMOVE my name from your mailing list.

\*OR call us: 203-736-1053, or e-mail: ansnaturectr@ansoniacr.org (use subject Mailing List). If you'd rather have e-mail notices when we update our calendar and newsletter, let us know that too! Thank you!!!

### Attention: Ion Bank Customers! 2016 Community Awards Program

We know you support the Nature Center's mission and programs. If you are an Ion Bank customer, here's your chance to make your voice heard and help us by casting your vote for the **Friends of the Ansonia Nature Center, Inc.** as your favorite local non-profit organization! Voting for the 7<sup>th</sup> Annual Community Awards Program will take place from January 4 to March 31, 2016, and winners will be announced in May 2016.

The Community Awards Program, funded by the Ion Bank Foundation, allows the bank's customers to vote for their choice of deserving local non-profit organizations. The Foundation will donate a proportional share of \$50,000 to each non-profit that receives at least 1% of the total votes. There will also be awards of \$500 each to 20 randomly selected organizations that receive less than 1% of the votes.

Vote for your favorite non-profit organization at <https://ionbank.com/> or by filling out a ballot available at any of the bank's branch offices. Each customer may vote only once. Thanks for your support!

### The Ansonia Nature & Recreation Center's Playground Revitalization Project

As you have read here in previous issues, the Nature Center staff and FANCI's grant writing committee have been working hard to secure funding to rebuild the Ansonia Homegrown Playground. To date we have raised \$25,000, which included all the proceeds from Autumn Fest 2015. We are also working on another upcoming fundraising event for this project and welcome all those who would like to be part of this effort. If you would like to be part of our fund raising committee, please call Alison at 203-736-1053.

Winter Campaign results to date—thank you to all who have already contributed!

**If you make the slide taller, the community will benefit!** You can help us meet our goal. Your **Winter Campaign gift** directly supports those who make our playground better for you and the community. One way we make the Nature Center better for you is building a safe environment for your families to play.

All contributions made payable to FANCI.

Mailing: Rich Wade.

### Redwing Pond House Preschool

The Redwing Pond House Preschool children have had an incredible Fall, and are ready for the chilly weather and explorations and fun in the snow! We have spent hours each day exploring and learning about our garden and the beautiful grounds and trails around our school. We are forming wonderful friendships and gaining an incredible understanding, respect, and love for each other and the changes occurring in nature just outside our classroom doors.

We continue to support our community with outstanding contributions to support our troops (made personal by fabulous homemade cards from the children!), and a successful collection of non-perishable foods to support the Spooner House pantry—we have incredibly kind and generous families!

We spent several weeks exploring the incredible colors of Fall, learning and growing together, and exploring pumpkins in ways we never imagined! We grew, harvested, cleaned, baked, counted and roasted seeds, carved, dried seeds for next year, and even all had a turn using a power drill to make holes in our pumpkin and lit it up as a classroom decoration!

We have been fortunate to have several parents of our students share their talents with the class. An incredibly exciting flyover by a pilot, music lessons from a music teacher, pottery lessons from a pottery teacher, visits from a parent literacy specialist, and great support and company in the classroom and on our daily hikes by our amazing group of parents!

We invited all of our families to a classroom celebration where our own version of "Stone Soup" and breads baked by the children were served. Following many lessons and discussions about healthy eating and our favorite soups, each child chose a vegetable to contribute to the soup we made together. It was a wonderful gathering, and a special time for us all. We look forward to a wonderful winter with our little learners!

Jacqueline Lema  
Director, RWPB Preschool
