Volunteer Job Opportunity:

Trail Patrol

Position: Trail Patrol

Staff Contact Person: Daniel Bosques

Time Requirement: Negotiable

Availability: No restrictions, open

Skills Needed (or willing to learn):

- Willingness to walk 2-5 miles each day, potentially carrying equipment for maintaining trails (pruning sheers, clippers, trash bag, etc.)
- Keen observational skills and an eye for details
- Knowledge of local flora and fauna

Description:

- Perform basic trail maintenance, including, but not limited to: pruning back plants growing into trails, removing dead branches from trails, etc.
- Pick up any trash found on the trail & bring it back to the ANC to be properly disposed of
- Take note of any graffiti along the trail and, if possible remove and/or cover it
- Take note of any persons causing destruction to the grounds in any way. Do not confront them, but let the Nature Center know about the occurrence as soon as you return. Should you come across a person destroying Nature Center property, you are not to confront them in any way, rather, you should return to the Nature Center and let the Director/Assistant Director know as soon as possible.
